

LED WALL LIGHT

Model No. EOL-WL60BK-1100esw

This exquisite wall light boasts a sleek and modern design that is both striking and durable. The backplate is crafted from die-cast aluminum, while the lampshade is made from high-transmittance, anti-yellowing PC material, ensuring optimal light diffusion. With adjustable wattage and color temperature, this light offers versatility and style, making it ideal for use in a range of commercial and residential spaces, including balconies, porches, hallways, entryways, and living areas. Illuminate your space with a stunning appearance that exudes durability and a unique design.

Matte Black Finish with Frosted Pearl PC Lens
